

Revised 9/18/12

Salk Boys' Soccer Team

These are the **approximate** times we will return to Salk from games, based upon past years' experience. Due to traffic and late-running games, these times may vary. Please plan to pick your son up at Salk School at these times. You are always welcome to attend games and take your son home directly from the game.

Note: Players may bring cell phones on the team bus to arrange transportation and discuss pick-up times with their parents/guardians only. In order to develop the team atmosphere, please keep calls to these phones for urgent matters only.

For Home Games- Players should be picked up from Salk at 5:15PM.
