The long-sleeve jacket is a black, cotton-lined, hooded pullover jacket, with a warming pocket in the front. On the front of the jacket will be embroidered the player's first name or nickname. The back of the jacket will read "SALK SOCCER" in white and purple, with a soccer ball (unlike the photo above). The cost of the pullover jacket is \$62. Both coaches can show the players samples of the jacket. They are great for soccer sidelines in cool or rainy weather or just to wear to school and around town. **Note:** If less than five jackets are ordered from both teams in total, then the costs will be increased to \$85 per jacket by the vendor.

Please cut out and complete the order form below if you would like to order a jacket. Please submit orders by Tuesday, **October 15, 2019** in an envelope with the player's name on the outside and the full amount enclosed. Please turn this page over for more items.
